| Hopewell School |
| Pupil Premium Funding |

The Government pays local authorities a pupil premium for every child who is assessed as disadvantaged.

Local authorities may choose to pass this on to Hopewell School in addition to standard fees. Where we receive a premium we have a duty to use it to help disadvantaged children at Hopewell School to boost their attainment.

You may be eligible for a pupil premium if any of the following circumstances apply:

- If your family's income makes your child eligible to receive free school meals.
- If your child has been looked after continuously for more than six months.
- If your child has a parent in the Armed Forces, or a parent who died in service.

During the academic year (2016/2017) we requested pupil premium money from the Virtual Head of the pupil's Local Authority, for one pupil. The money has been spent in the following way:

| Pupil | Item/Project | Impact |
|--------------|---|---|
| A | Pay for Educational Psychologist to assess the pupil. | Assessment pending. The intended impact will be to improve teaching staff information about supporting Student A's needs and consequently improving his attainment. |

| |
|------------------------------|
| Pupil Premium Funding |
| Academic Year 2017/18 |
