Walking the dog
Games

Character Skill

Teamwork
Cooperation
Resilience
Communication
Adaptability
Empathy
Independence
Initiative
Integrity
Listening

Your parent or carer will use 50-50 LAB to score you on events such as: Tidying, Homework, Shopping or Exercise. And they'll score you on character skills such as: Teamwork, Cooperation, Resilience & Communication etc.

Event

Tidying

Character Skill

Cooperation

1

2

3

B

They'll choose an event such as 'Tidying', and a character skill such as 'Cooperation'. And then they'll adjust your score throughout the activity.

A 1 score means both your effort and your attitude needs to improve.

Event

Tidying

Character Skill

Cooperation

1

2

3

B

More Effort Needed!

Better Attitude Needed!

A 2 score means your effort is good, but your attitude needs to improve.

Event

Tidying

Character Skill

Cooperation

1

2

3

B

Good Effort!

Better Attitude Needed!

A 3 score means both you're effort and attitude are great!

Event

Tidying

Character Skill

Cooperation

1

2

3

B

Great Effort!

Great Attitude!

A Bonus Point means that as well as great effort and attitude, you're also displaying additional character skills!

Daniel Simmonds

Homework

Resilience

Daniel worked really hard on his homework even though it was difficult. Great Job!

Upload

Your parent or carer can create photo captures of you doing various activities. They choose your activity, your character skill, your score and type a brief description and then upload the capture.

Homework

Resilience

1

2

3

B

Daniel worked really hard on his homework even though it was difficult. Great Job!

You can see a simple version of your capture on a mobile or tablet, or if you use a laptop or PC, you can see and print a high quality version of your capture.
