

Vocational Programme and Transition

- The focus of our vocational curriculum is to enable pupils to develop skills and attributes that enable them to transition successfully to either attend college, apprenticeships or the world of work.

How we deliver our Vocational Programme and Transition component of our Curriculum:

- **Specialist vocational classrooms**

We are thrilled to introduce our updated course offerings and brand-new, state-of-the-art facilities equipped with cutting-edge technology to enhance the learning experience.

Creative Media Courses

Our Creative Media courses offer the Arts Award qualification at all levels, ensuring a comprehensive and engaging educational journey:

- **(Entry Level 1) - Explore**
- **Level 1 - Bronze Award**
- **Level 2 - Silver Award**
- **Level 3 - Gold Award**

These courses cover various aspects of creative media, providing students with the skills and knowledge needed to excel in this dynamic field.

Future Opportunities in Creative Media

Students can further utilize their skills in Creative Media in various exciting areas, including:

- Game Coding and Design
- Animation
- Creative Media
- Music Production
- VR Design
- Esports
